Air conditioning, WiFi connection on board

Sunbreeze, the newest Sunreef 60 on the charter market, was built as an all-around sailing catamaran, perfect for exclusive getaways, yacht charters, and adventures. Her perfect layout combines brilliantly thought through interior and exterior spaces, easily flowing into each other.

Her high bulwarks provide the feeling of security at all times and her cleverly designed bridge deck and the design of the superstructure offer a superior level of comfort onboard. Her salon offers panoramic views and thanks to its open-plan it provides the perfect open environment to enjoy onboard.

The salon merges with a generous aft deck, which is finished off with a huge bathing platform, offering secure and easy

access in and out of the water. At the bow, you will find a cozy lounge area, well shielded from the sun and the wind. Four generously sized double cabins, all with their own en suite facilities, allows 8 guests to comfortably enjoy their stay on board. Her opulent master suite is fitted with a walk-in dressing, desk, sofa, retractable TV, as well as an immense bathroom. A perfect setting to unwind and relax after a long day in the sun.

Sunbreeze will be lead by a fantastic crew of 3, taking care of their guests on board with the utmost care and guaranteeing an unforgettable stay on board.
